

Industry Programme

Wednesday 02 October 2024

KUBTEC Satellite symposia: Advances in Intraoperative Margin Management

13:15 - 14:05

Elizabeth Hall

13:15 - 13:25 **Advances in Intraoperative Margin Management**
10 min Speaker: Ashutosh Kothari - London, United Kingdom

13:25 - 13:35 **Advances in Intraoperative Margin Management**
10 min Speaker: Tomasz Sachanbinski - Opole, Poland

13:35 - 13:45 **Advances in Intraoperative Margin Management**
10 min Speaker: Jan Beneš -

13:45 - 13:55 **Discussion**
10 min

13:55 - 14:05 **Q&A**
10 min

__**

Sirius Medical Coffee Break Workshop: Introducing Sirius Pintuition® Slim Probe: enabling surgeons to improve patients' cosmetic outcomes

16:20 - 16:45

Okapi 2+3

Chair: Natacha Ruysers - Turnhout, Belgium

16:20 - 16:30 **The added clinical value of the Slim Probe: clinical cases illustration in both breast and axilla**
10 min Speaker: Erica Giblin -

16:30 - 16:40 **"MALLORCA" trial: Surgical management of the axilla with a non-wire surgical navigation system**
10 min Speaker: Constanze Elfgem -

16:40 - 16:45 **Q&A**
5 min

__**

Thursday 03 October 2024

Endomag: Coffee Break Workshop: Breast Cancer Localisation. Evolved.

10:20 - 10:45

Elizabeth Hall

Chair: Henry M. Kuerer - Houston, United States of America

10:20 - 10:45
25 min

How to treat more patients and improve your oncoplastic approach with Sentimag®

Speaker: Eirini Pantiora - Sweden

10:20 - 10:45
25 min

How to treat more patients and improve your oncoplastic approach with Sentimag®

Speaker: Ricardo Pardo-Garcia - Lymm, United Kingdom

AstraZeneca: Coffee Break Workshop: It's not clear cut for the borderline eBC patient: Surgery or neoadjuvant therapy first?

10:20 - 10:45

Okapi 2+3

10:20 - 10:22
2 min

Introduction

10:22 - 10:27
5 min

Importance of neoadjuvant therapy: The surgeon and oncologist perspective

Speaker: Henry Cain

10:22 - 10:27
5 min

Importance of neoadjuvant therapy: The surgeon and oncologist perspective

Speaker: Mark Verril

10:27 - 10:29
2 min

Tailoring neoadjuvant therapy: Treatment guidelines and biological predictors of pCR

Speaker: Henry Cain

10:27 - 10:29
2 min

Tailoring neoadjuvant therapy: Treatment guidelines and biological predictors of pCR

Speaker: Mark Verril

10:29 - 10:36
7 min

The borderline T2N0 patient: A case study

Speaker: Mark Verril

10:29 - 10:36
7 min

The borderline T2N0 patient: A case study

Speaker: Henry Cain

10:36 - 10:43
7 min

Q&A

10:43 - 10:45
2 min

Summary

Merit Medical: Satellite symposia: Precision without compromise in breast conserving surgery and targeted axillary dissection.

13:00 - 13:50

Elizabeth Hall

Chair: Maria Luisa Gasparri - Switzerland

13:00 - 13:05
5 min

Weclome and introduction

Speaker: Maria Luisa Gasparri - Switzerland

13:05 - 13:20
15 min

Radar-guided localisation in targeted axillary dissection in breast cancer patients undergoing primary systemic treatment

Speaker: Maria Luisa Gasparri - Switzerland

13:20 - 13:40
20 min

Non-magnetic non-radioactive surgery for breast conservation in early breast cancer

Speaker: Vasileios Pitsinis - United Kingdom

13:40 - 13:50
10 min

Q&A

MSD: Satellite symposia: Surgical insights and multidisciplinary perspectives on immunotherapy in early-stage cancer treatment

13:00 - 13:50

Okapi 2+3

13:00 - 13:05
5 min

Welcome and introductions

Chair: Oreste Davide Gentilini - Milano, Italy

13:05 - 13:15
10 min

Optimizing multidisciplinary approaches in early-stage-cancers: Integrating perioperative, adjuvant, and neoadjuvant immunotherapy strategies

Speaker: Viktor Grünwald - Germany

13:15 - 13:25
10 min

The surgeon's insight: Integrating immunotherapy and surgery for enhanced early-stage cancer management

Speaker: Herbert Decaluwé - Belgium

13:25 - 13:45
20 min

Roundtable discussion: Putting it all together

13:45 - 13:50
5 min

Closing remarks

Chair: Oreste Davide Gentilini - Milano, Italy

GEM Coffee Break Workshop: GLUBRAN 2: The ideal solution for difficult cases

16:40 - 17:05

Gorilla 1

Chair: Fabio Cesare Campanile -

16:40 - 17:05

The ideal solution for difficult cases

25 min

Speaker: González López José Antonio - Spain

16:40 - 17:05

The ideal solution for difficult cases

25 min

Speaker: Geert Maleux -
